

## ***OSAC Finding Funds***

### **Presenter: Cheryl Connolly, Scholarship Processing Coordinator, OSAC**

This session is designed to equip those working directly with students in the completion and submittal of the OSAC Scholarship application. Learn how to help students submit a complete application to compete for OSAC scholarships and general tips for “telling your story” using the personal statements and activity chart. Also, hear first-hand from our in-house expert about all phases of the application process, including updates, key dates, milestones, and best practices to ensure successful application submittal.

### **Cheryl Connolly, Scholarship Processing Coordinator, Office of Student Access and Completion**

Cheryl has been with the Office of Student Access and Completion since 2009. In her position as the Scholarship Processing Coordinator, she ensures accuracy and efficiencies for all phases of application review, selection, and award notification processes. In her free time Cheryl enjoys traveling, bike riding, and outdoor recreation. She is the proud mother of two.
