

### ***Integrating SALT into Your Programming***

**Presenter: Jacquie Carroll, Ed.D., AFC, Engagement & Education Consultant,  
American Student Assistance/SALT**

This session provides an overview of SALT and then walks through ways for you to integrate SALT in to your work with students and families. We will share examples from the SALT website along with the SALT + My Money 101 Instructors Guide to give you practical tips you can use tomorrow!

**Jacquie Carroll, Ed.D, AFC, Engagement and Education Consultant,  
American Student Assistance/SALT**

Jacquie Carroll is an Engagement and Education Consultant who joined American Student Assistance in 2011. Although her early career in higher education was primarily in an administrative capacity, Jacquie's passion lies with teaching and fostering a successful student educational experience- which is at the heart of student engagement and retention. In her current role as Engagement and Education Consultant, Jacquie assists schools and organizations develop plans for promoting SALT and provides SALT education and training. Jacquie has a BA in Public Administration from California State University Chico, an MA in Teaching English As A Second Language/ Multicultural Education from Goddard College, and an Ed.D. in Higher Educational Leadership from Nova Southeastern University.
