Chloe Shaughnessy, ASPIRE Media Specialist, Office of Student Access and Completion

Chloe is currently pursuing a Bachelor's of Science from the University of Oregon where she is majoring in Public Relations along with minoring in both Psychology and Computer Sciences. She completed her Associates in Pre-Journalism from Lane Community College. She plans to help ASPIRE in any way she can. In her free time Chloe enjoys hiking with her friends and doing lots of marathons on Netflix.

Kyra Mathews, ASPIRE and Outreach Development Specialist, Office of Student Access and Completion

Kyra has worked with ASPIRE since 2012, starting as a Media Specialist. In April of 2015, she began as the Development Specialist, focusing on: expanding ASPIRE's communication networks; maintaining the Coordinator, Volunteer, and College Toolkits; curriculum design and updates; website work; and assisting with ASPIRE, Outreach, and OSAC publications. She is also a senior undergraduate student at the University of Oregon, pursuing her Bachelor's degree in Sociology with a minor in Computer Information Technology. Kyra is a PathwayOregon and an Oregon Opportunity Grant recipient. In her free time, Kyra enjoys cooking and reading.

Lisa Brookshier, ASPIRE Access Specialist, Office of Student Access and Completion

Since 2001 Lisa has volunteered or been paid staff for ASPIRE and OSAC. Lisa has been a mentor, volunteer coordinator, college and career center coordinator, presenter, and provided technical assistance to ASPIRE sites. Lisa's introduction to college access programs was as a participant in the Transitions Program while at Mt. Hood Community College. As part of her class, she completed the OSAC application and was awarded the Ford Family Foundation's Opportunity Scholarship. Lisa earned her Bachelors in Business Administration degree from Portland State University, and Master of Business Administration at Marylhurst University. Lisa is a native Oregonian that brings over twenty-five years of business and nonprofit knowledge to ASPIRE, with a commitment to service and enthusiasm in assisting ASPIRE sites to succeed.
