

Ford ReStart Scholarship Program

Oregon

The Ford Family Foundation established the Ford ReStart Scholarship Program to encourage non-traditional adults to begin or return to full-time post-secondary education. Each year, up to 50 applicants are selected from Oregon and Siskiyou County, California to receive a Ford ReStart scholarship.

Eligibility

This is a need-based scholarship. To demonstrate financial need, each applicant must file a *Free Application for Federal Student Aid (FAFSA)* by March 1. The FAFSA must not be in a "rejected" status at the time of application review. *Scholarship offers may be rescinded if an applicant's FAFSA changes prior to the fall term of the application year and he or she no longer meets the financial need criteria.*

Applicant must also:

- Be a resident of Oregon and meet all residency requirements for college of attendance
- Be at least 25 years of age by March 1 of the application year
- Seek a certificate, a 2-year associate's degree, or a bachelor's degree at an eligible institution (and not previously have earned a bachelor's degree)
- Attend full time, on campus, at a public or private, eligible college or university based in Oregon, beginning in fall of the application year
- Have no felony convictions, or have satisfied the terms of any felony conviction by August 1 of the application year
- Submit a *ReStart Reference Form* online, as part of the OSAC eApp

Applicant may be at any phase of their education, but strong preference is given to students with limited or no recent college experience.

Selection Criteria

Each successful candidate will demonstrate:

- A history of working responsibly on the job or in the home by helping to raise a family
- A commitment to education as a way of improving their life and the lives of their family and community
- Involvement in community through volunteer service to others
- Initiative and/or leadership in family, school or community activities
- An ability to clearly communicate personal strengths and goals
- An ability to benefit from college as supported by the *ReStart Reference Form*

Interviews are required for all finalists.

Scholarship Amount

This is a variable, need-based award of up to 90% of the recipient's unmet financial need with a limit of \$25,000 per year. Scholarship award amounts are calculated annually and are dependent on the college cost of attendance (including tuition, fees, room & board, personal costs, etc.), less the federal Expected Family Contribution (EFC) and other scholarships or gift aid. The formula for calculating the Ford ReStart scholarship award is shown below:

Formula:

	Cost of Attendance (COA) for the academic year		
(minus)	EFC (from FAFSA)		
(minus)	All grants and other scholarship aid		
(minus)	Other resources (e.g., veteran's benefits)		
	Result x 90% = Ford ReStart Award		
	(Minimum of \$1,000/Maximum of \$25,000)		

Example:

	\$21,000	COA for the academic year	
(minus)	\$ 3,500	EFC (from FAFSA)	
(minus)	\$ 3,800	All other grants & scholarship aid	
(minus)	\$ 0	Other resources	
	\$13,700 x 90% = \$12,330 Ford ReStart Award		

Graduate Study

Ford ReStart Scholars who successfully complete their bachelor's degree may be eligible to apply for up to two years of graduate-level funding.
